## WELCOME TO THE LONG BAR

The old boys' club that controlled Shanghai ran it from the leather-and-whiskey soaked confines of the Shanghai Club on the Bund, where membership was restricted to white males of a certain class. Even the famous 34-metre Long Bar on the second floor was subject to a strict hierarchy: the prime Bund-facing end of the L-shaped mahogany bar was the territory of the taipans and bank managers, with the social scale falling as one moved down the length of the bar.

## 欢迎光临廊吧

曾几何时，叱咤上海滩的风云人物在位于外滩的上海总会经营着这家弥漫着皮革和威士忌气息的酒吧。当时，可自由出入的会员仅限于上流社会的白人男性。连位于二楼、以34米长吧台著称的廊吧也必须遵守严格的等级制度：在L型桃花心木吧台，面朝外滩胜景的一端属于大班和银行经理们，而逐渐远离风景区域，来宾的社会地位也随之下降。

## SINGLE MALT WHISKY COLLECTION

We are proud of our fine selection of single malt whiskies. Contrary to popular belief, there is no right or wrong way to enjoy Single Malt Scotch Whiskey. It's important to enjoy the experience.

We do recommend that you try adding just a little water to 'awaken' your whisky. Adding water to any single malt changes the composition of the spirit and unlocks more flavors and aromas.

### WHISKY FLIGHT

388

#### **Journey through Scotland**

Starting in the Lowlands, where the Glenkinchie distillery produces its light and floral Single Malt. From here we travel to Dalwhinnie in the Highlands, typified by its heather and honey flavours.

From there we visit Speyside, and Cragganmore - a complex, fruity Single Malt - before heading as far west as we might go to the Isle of Skye. There we find Talisker, the only single malt scotch whiskey from this rugged, windswept Island.

Traveling South along the West Coast of Scotland, we take in Oban and before ending our Journey on the island of Islay we finish with the rich and peaty Lagavulin.
